U.S. DISTRICT COURT

Re: CASE NO. 23-CV-141-WMC

The Plaintiff in the above referenced matter contacts the Court in concern of failure to receive any further correspondence from the Court; such as, A Scheduling Order, OR District Court Civil Rules, Screening Verification etc...

The Plaintiff updated the Court of his change of mailing address on MARCH 21st 2023. I have not received and forwarded mail from my previous Housing Facility (Milwaukee Secure Det. Facility). I do not expect that the Prison will forward my mail.

The most recent correspondence I have received from the Court in this matter was regarding installments of 20% under P.R.L.A. for the filing of this Civil action. If I missed any further correspondence or orders in this matter could the Court promptly forward A copy to the Headed address above.

Thank you?
